Proposal for Phase 3 Optional Capability

Course Code: MFAC 3503

Student Name:  
Student Number:

Clinical site:  
Term:

Date proposal submitted:

Agreed supervisor:

Any student wishing to undertake an optional capability needs to submit two written copies of their proposal by the end of the 2nd week of term. One copy should be submitted to the clinical coordinator and the other copy is to be given to your agreed supervisor. An appropriate project would be a submission of 2,000 words or equivalent (if different format, eg talk, brochure etc). The project proposal should include the sections outlined below. The agreed supervisor is responsible for marking this project, generating a FP mark. The optional capability mark would not be included in the total learning plan mark but would contribute towards the student’s portfolio.
